

Every Child Belongs Resource Consultation Program

Who We Are

Macaulay Centres for Children, [formerly known as the Macaulay Child Development Centre] was established in 1932 and has continued to offer supports to the community for over 90 years!

Working in Partnership with the City of Toronto and the Every Child Belongs Model, the Resource Consultation Program offers services for Licensed Child Care Programs (centre and home child care) to provide support to children with additional support needs.

About

Committed to an inclusive early learning environments and providing a Child Care experience that is high in quality and rich in learning opportunities for all children.

Programs have access to an Every Child Belongs Resource Consultation Staff who;

- Supports programs to build inclusive environments
- Works with program staff to develop and carry out strategies that support children and families
- Delivers training to support learning around inclusive practices
