

April 22, 2025

Dear Community Members,

We are writing to let you know that the **Macaulay Centres for Children program location at 48 Regent Street will be closing effective June 30**. This location currently operates both **licensed child care** and **EarlyON programming**.

While the building continues to meet all required safety standards, its age and ongoing maintenance challenges have made it necessary to close. This will allow us to reassess the future of the site and develop a long-term plan that continues to meet the evolving needs of the community.

We are pleased to share that **all children currently enrolled in child care at 48 Regent Street will be offered a space at a nearby Macaulay location**, where they will continue to receive the same care, support, and early learning experiences with minimal disruption.

Families attending our **EarlyON program** will be able to access the **same programming at nearby locations**. We will provide details about these alternative sites and schedules to ensure a smooth transition for all impacted families.

We remain committed to supporting children and families and will continue to provide safe, high-quality programs across all of our locations.

Sincerely,

Charles Abayomi
Chief Executive Officer
